(Blue poppy seeds)**

**Best Before: 22/07/24    Batch code: PO-024316**

FRESHCO FOODS VICTORIA is conducting a recall of the above product. The product has been available for sale at Asian grocery stores in VIC.

**Problem:** The recall is due to the potential presence of a chemical (thebaine) due to unsafe poppy seeds entering the food supply.

**Food safety hazard:** Food products containing thebaine may cause illness if consumed. Severe poisoning soon after ingestion has occurred in some people who have consumed large amounts of poppy seeds.

**What to do:** Consumers should not eat these products and should return to the place of purchase for a full refund and safe disposal. Any consumers concerned about their health should seek medical advice.
